

DENBY DALE TRAVELLERS CAN YOU BEAT BADGER? TUESDAY 29th. JUNE 2010

We have been invited again to accept a challenge from Badger to race between Shelley and Clayton West stations on the Kirklees Light Railway.

The race distance is 4 miles with a fall of 60 metres on a mixed route. Badger's record is 25 minutes 25 seconds. Runners will have to call at Skelmanthorpe and Cuckoo's Nest stations, as will Badger. The train will take all the runners and spectators to the start at Shelley Station. Last years winner was Badger

The event will take place on Tuesday evening with a 19:00 start. The train departs at 19:15. There are plenty of parking spaces at Clayton West Station.

Kirklees Light Railway will provide Badger free of charge to all race entrants, friends and families. Non-runners families, friends and walkers will have free use of the train in both directions. Snacks and drinks will be available at Clayton West station at the end.

There may be no charge for this event but any donations or profit will be given to Cancer Research. Route maps will be available on club nights and on the club web site

The event is by DDT club invitation only. DDT contact John Shone 01484 864177.
